Consolidation-Discontinuance.

After this issue of the White Oaks Eagle the paper will be consolidated with the Capitan Progress and the publication continued at Capitan under the name of the Capitan News. This change is made purely for business reasons. The Eagle Printing Co. has acquired both papers and business conditions do not warrant the continued publication of both papers in the county; hence the consolidation of the two plants. Capitan has been selected because of its advantages as a central location for a county paper.

The proprietors of the Eagle Printing Co. are under obligations to the business men and to the good people of White Oaks for favors and kindnesses shown the Eagle and for a patronage which has been extended in accordance with conditions governing their prosperity or adversity, as has been experienced in the life of the town.

In quitting White Oaks as the base of our operations, we do not intend to quit laboring for her interests and future welfare, but will continue the same and endeavor to aid her every enterprise, as we shall every other community in Lincoln county. We shall take a special pride in contributing, when in our power to do so, to the town's well being and to the welfare of all her inhabitants.

We feel that we rightfully appreciate the support that has been given us during the half a decade we have published the Eagle in White Oaks, and if we have accomplished any good for the community—we hope, at least, that we have—we have been amply compensated by the hearty co-operation, friendly aid and good will of the best citizenship of the community. The good will and whatever share of the patronage we merit we hope to retain, and shall strive to show a just appreciation.

All unexpired subscriptions to the Eagle will be turned over to the Capitan News, which paper will be regularly forwarded to the Eagle's subscribers.

The Chapman-Ludlam Oil Well.

E. G. Ludlam returned Tuesday from the east, where he has been for some time looking after the affairs of the company. While in St. Louis he ordered a quantity of 5-inch casing, which will be used in reducing the present hole, and some bits and jars.

The well is now down something like 500 feet, and as soon as the new tools and casing arrive, the operators will begin their downward stroke for China. Messrs. Chapman and Ludlam are showing their faith by their works, and should they be fortunate enough to strike oil, and the indications are favorable, it will be one of the greatest boons Lincoln county ever experienced.

For the sake of their presistency, unremitting toil and faith in the final results, and for the benefits to accrue to the people of this section, generally, the Eagle earnestly hopes that success may crown their efforts. John D. Brotherton, the old reliable well man, will continue to conduct the drilling operations.

A POPE IS CHOSEN.

All the leading Candidates Defeated by a Cardinal whose Name Was Scarcely Mentioned.

ASSUMES TITLE PIUS TENTH

ROME, Aug. 4.—Cardinal Sarto, patriarch of Venice, has been elected pope. Cardinal Guiseppe Sarto was born at Riese, province of Venice, June 2, 1835. He was cardinal and patriarch of Venice June 12, 1893. He is very learned in the ecclesiastical doctrines, modest, energetic, a good administrator, a patron of the arts, and his seriousness has always been proverbial. Early in April Pope Leo, in conversation with Father Perosi, Italian composer, said, in speaking of Cardinal Sarto: "Hold him very dear, Perosi, as in the future he will be able to do much for you. We firmly believe he will be our successor." He has been known many years as one of the greatest preachers of the church.

Pope Blesses Crowd.

ROME, Aug. 4.—Cardinal Macchi, secretary of the apostolic briefs, announced to the crowd assembled before St. Peter's that Cardinal Sarto had been elected and had taken the name of Pius X. The troops on duty lined up on the piazza and presented arms at ten minutes after 12 this afternoon. Then Pius X appeared in the side of the balcony of the basilica and blessed the populace, amid acclamations of an enormous crowd assembled on the piazza.

\$375 for Letters from Farmers.

The Rock Island System offers \$375, in cash and transportation for letters relative to the territory along its lines in Arkansas, Indian Territory, Oklahoma, Texas and New Mexico.

Letters should deal with the writer's experiences since he settled in the territory in question. They should tell how much money he brought with him, what he did when he first came and what measure of success has since rewarded his efforts.

Letters should not be less than 300 nor more than 1,000 words in length and will be used for the purpose of advertising the Southwest.

For circular giving details, write John Sebastian, Passenger Traffic Manager, Rock Island System, Chicago, Ill.

Special Levy Carried.

At the special election, held last Saturday, for the purpose of voting on the proposition of a levy of 2½ mills for payment of interest on school house bonds and maintaining the school, and 1 mill to create a sinking fund for this payment of said bonds, 23 votes was cast and both levies carried. There were one vote against both levies, and one vote cut the 2½ mill levy to 2 mills, and 21 straight votes in the affirmative. With a substantial fund in the general and special to begin with and the accumulations from this special levy, augmented quarterly by the apportionment from the general school fund, the White Oaks school will not suffer for funds the coming term, and will be able, as in the past, to conduct a nine month's term.
